This picture of the first group of Independent Order Of Odd Fellows in Camas was taken before the organization built its first I.O.O.F. hall. The cornerstone for the first hall was laid in June, 1890, so this photo is of still an earlier vintage. Some of those identified are Mr. and Mrs. Joe Teeson, Al Fifield, Mrs. Bates, (Fifield's sister), Mamie Teeson (Bob Teeson's sister), Charlie Gates, Mr. and Mrs. Bob Grable and Perry Van Camp. Nora Self gave the picture to the Camas Library.
